

How to Quickly View and Redeem Your Funds with Dropp

In this guide, we will walk you through setting up your Dropp wallet and how to start making small-value purchases quickly and easily. This article will cover the process for a brand new Dropp user to sign up and set up a Dropp wallet in USD.

- . Downloading Dropp, Viewing Your Funds, Credits, and Purchases
- . Redeem Funds from Your Wallet to Your Bank Account

1. Viewing Your Funds, Credits, and Purchases

- Upon opening the Dropp app, you will see your current amount funds on the wallet home screen

- You will then be able to toggle between viewing your purchase history and any credits you currently have.

- To view your purchase history and credits you have received, open the menu in the top right corner of the Dropp app and select "Purchases and Credits"
- Credits are a set amount of funds you receive once someone purchases a good or service you referred to them. These amounts are instantly added to your wallet upon success.

2. Transferring Funds from Your Wallet to Your Bank Account

Redeeming your funds is quick and easy with Dropp:

- From the home screen, click "Fund Your Account", then "Fund Now"
- Enter the amount you wish to send from your wallet to your bank account and click "Redeem"
- The specified amount will be deposited into your bank account in 3-4 business days

*In order for an ACH transaction to be free, you need to have a minimum balance of \$20

- Enter the amount you wish to send from your wallet to your bank account and click "Redeem"
- The specified amount will be deposited into your bank account in 3-4 business days
